

Glaze Color Variations

All of the glazes that we offer are subject to variation in color, hue, and appearance. Some of our glazes have more variation than others. Although mugs of the same glaze appear to be a different color, they are in fact the same glaze. This outcome is a natural part of handmade ceramics. Here are a few pictures that demonstrate some of these variations...

DENIM

SAND

CRANBERRY W/BLUE WHITE

BLACK W/ CINNAMON WHITE

BLUE SHIMMER:

BLACK W/SUNSHINE RED

CHOCOLATE W/CORAL WHITE

CRANBERRY W/SAND WHITE
